Comprehensive Plan Level of Service Standards

Key Points of Interest/Discussion:

- Proper vetting of Level of Service standards before Comprehensive Plan approval and developer vesting.
- Ensure Level of Service standards that are consistent with community expectations for city provided services.
- Council to provide direction on Level of Service issues that need to be addressed before Comprehensive Plan adoption.

Michael Hogins, Berk and Associates gave an overview of Black Diamond's current Level of Service (LOS) and explained that LOS policies and standards, once adopted as part of the Comprehensive Plan will dictate how impacts of future development will be assessed and outlined criteria that should be considered when developing level of standards for a community. Areas of discussion involved Administrative Services, Parks Recreation and Open Space, Police, Fire and Emergency Medical Services and Transportation.

ADJOURNMENT:

The workstudy ended at 6:59 p.m.

ATTEST:

Howard Botts, Mayor

Brenda L. Streepy, City Clerk
