CALL TO ORDER, FLAG SALUTE:

Mayor Benson called the regular work session meeting to order at 6:00 p.m. and led us all in the Flag Salute.

ROLL CALL:

PRESENT: Councilmembers, Deady, Oglesbee, Wisnoski, Stout, de Leon, Nelson, and Paige.

ABSENT: None

Staff present: Barb Kincaid, Community Development Director and Brenda L. Martinez, City Clerk/HR.

WORK SESSION:

1) Discussion and Review of Integrated Aquatic Vegetation Management Plan (IVAMP)

Mayor Benson briefed Council on the process and how this plan came to be. She commented on it being a good plan and the City needs to adopt so we are eligible to apply for grants to remove aquatic vegetation.

Community Development Director shared that the plan was developed with a steering committee and by King County with approval from the Department of Ecology. She noted that Lake Sawyer has weed problems and the plan identifies which weeds are problems and identifies ways to eradicate them. She referred to page 47 of the document where it outlines costs. Adoption of the plan sets up the ability to apply for grants from King County and at this time the question is who initiates this. She shared reaching out to Lake Sawyer Community Club to be the initiators. She discussed next steps which would be to get the plan adopted at the next regular business meeting so that Lake Sawyer Community Club can apply for funding. She noted there is really no downside to adopting this plan and recommended adoption.

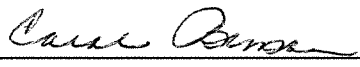

There was Council consensus to move this forward to the next Council meeting for adoption.

ADJOURNMENT:

Councilmember Deady **moved** to adjourn the meeting; **second** by Councilmember Paige. Motion **passed** with all voting in favor (7-0).

The meeting ended at 6:31 p.m.
