## **RE: PUBLIC HEARING ON PROPOSED SOUTH ANNEXATION**

Black Diamond Village Partners has submitted to the Community Development Department a Notice of Intent letter and subsequent Annexation Petition seeking the annexation of +/- 250.18 acres (South Annexation Area) generally adjacent to the south-central boundary of the City (see attached map). By RCW 35A.14.120 property owners may use the "Direct Petition Method" to seek annexation of lands to a city.

By Resolution No. 09-590 (Section 3.2) Black Diamond Village Partners and the City were required to negotiate a pre-annexation agreement before the City could authorize circulation of the Annexation Petition. Black Diamond Village Partners and city staff conducted a series of discussions on a draft of this required agreement and the City Council approved this Pre-Annexation and Development Agreement on August 20, 2009 by Resolution No. 09-626. At the same meeting Council approved pre-annexation zoning of MPD, Master Plan Development and R-4, Single Family Residential District for the areas contained within the proposed annexation area. In addition Council accepted the first petition of proposals to annex (Resolution No. 09-628).

On September 1, 2009 Black Diamond Village Partners submitted to the Community Development Department the required Annexation Petition for the South Annexation Area. This Petition was submitted by city staff to the King County Department of Assessments the same day and was certified as sufficient by the County Assessor on September 2, 2009 as required by RCW 35A.01.040 (4). At its meeting of September 3, 2009 Council set a public hearing date of September 24, 2009 for the South Annexation Area Petition to be considered at a Special Meeting. Interested parties are invited to appear and voice their approval or disapproval of the proposed annexation at this public hearing. Community Development staff also mailed on September 15, 2009 copies of the Notice of Public Hearing (published in the *Voice of the Valley*) to owners of all the properties proposed to be included in the annexation.

It is recommended by staff that Council approve the Annexation Petition and direct staff to prepare the Notice of Intent package for filing with the King County Boundary Review Board.

To summarize, the remaining steps required in the annexation process (following submittal of the Notice of Intent package to the Boundary Review Board) include:

- 1) Once submitted to the KCBRB the Board has forty-five (45) calendar days to review the Notice of Intent submittal. Agencies with jurisdiction and/or registered voters and property owners may request review (public hearing) as per RCW 36.93.100 (1-4) during this period. If

such a request is made, the BRB must schedule and conduct this hearing and make a finding within 120 days after the filing of such a request for review. If no hearing is requested within the 45-day period, the Notice of Intent is deemed approved and returned to the City.

- 2) City adopts annexation by ordinance
