Exhibit A

A. Objective

In 2021-22, the City of Black Diamond will combine the City Recycling Collection Event/s with the City of Maple Valley. The reason for combining events is the substantial reduction in the grant funding from the WA State Department of Ecology. By hosting Recycling Collection Event/s, Black Diamond can reduce the amount of recyclable materials finding its way to the local landfill. In addition to diverting materials from the City waste stream, attracting residents to events provides an opportunity to distribute educational material on City and King County recycling programs. The educational materials can enhance the knowledge of residents and improve behavior in purchase, handling, and disposal of recyclable materials. As part of this event, a rain barrel, compost bin, and worm bin sale will be held in conjunction with the spring event. A second sale will be held at the fall event if barrels and bins are available. Black Diamond will expend City grant funds to support Maple Valley Recycling Events and Bin/Barrel sales in the spring and fall (if units are still available in the fall).
