2020 Citywide Asphalt Overlays Project Construction Starting Tuesday, May 26th

Roadwork is anticipated to begin at multiple locations in the City beginning Tuesday, May 26th. The City's contractor, Pavement Maintenance of Washington, hopes to be at each location just one day, but could be at each site longer depending on road conditions. During construction, expect delays and detours. There may be moments that your driveway is inaccessible during the construction. The contractor plans on starting at 7:00 am each day and could work until 7:00 pm. Below is the contractors anticipated schedule:

Tuesday, May 26 th	Railroad Ave. between SR 169/3 rd Ave. and Park St.
Wednesday, May 27 th	232 nd Ave. SE between SE 288 th St. and SE 293 rd Pl. (please follow detour signs)
Thursday, May 28 th	SE 312 th St. between 228 th Ave. SE and Lake Sawyer Regional Park
Friday, May 29 th	Entrance to Public Works Shop off Lawson St. (across from the Police Station).

Thank you for your patience as we work to improve your City roadways. If you have questions regarding this project, please call Scott Hanis at 360-851-4521.

Work on 232nd Ave. SE and on SE 312th St. is funded by a grant from the Washington State Transportation Improvement Board and city funds. Work on Railroad Ave. and on the entrance for the Public Works Shop is funded by City funds.
